

Member Loyalty

A large, three-dimensional gold number '2025' is displayed. A shiny gold Christmas ornament is positioned between the '0' and the '2'. The background is white with gold confetti falling around the numbers.

2025 was another great year at Area Educational Credit Union! To reward our members' loyalty, AECU paid Bonus Dividends and Loan Interest Rebates on 12/18/2025.

Including Quarterly Dividends and Year-End Loyalty Bonuses, Area Educational has returned over \$675,000 back to our members in 2025.

Bonus Dividends were paid to open accounts on 12/18/2025. The amount was 20% of Year-to-Date (YTD) Dividends.

Loan Interest Rebates were paid to current members who had loans with us as of 9/30/2025. Auto Loans and Share Secured Loans received \$120 and Signature Loans received \$60. The maximum interest rebate per member was \$300. Excluded from Loan Interest Rebates were members who caused the credit union a loss and those more than 60 days delinquent currently or at any month-end in 2025 on any AECU loan.

Thank you for your Loyalty in 2025!
